31 October

Dear Laura,

Enclosed is a check for one of your lovely gravures. When I returned from my Santa Fe visit and showed my good friend Toby Quitslund, another curator, the print and gravure I had brought back from you, she asked if there was another that she could buy.

The gravure has already arrived, thanks to Mary Sue, and so here is the check from Toby to me to you.

The Recollections exhibition closes this weekend. We have had fantastic attendance and Gretta's book has been a very big seller here in our bookshop. It has finally been publically released by Viking and I am seeing it now in store windows around town.

A publisher called the other day about using some of your Rio Grande photographs and I referred her on to you. Hope that this is all right and that it means some good sales for you.

William Clift came by the other day. It was nice to meet him as I had seen his nice work around Santa Fe.

Hope you are feeling well. Please give my regards to Sina and to Jerry.

Sincerely yours,

A handwritten signature in dark ink, which appears to read 'Ruth Silverman'. The signature is written in a cursive, flowing style.
