Dear Laura:

Thank you for remembering us on the anniversary of  
your good friend, Elizabeth Forster's birthday.

Your sharing of her experiences helps us realize,  
as nurses, how nursing remains an adventure whether  
past, present or future.

I hope this finds you well and functioning. Since the  
last time we talked my curiosity remains surround-  
ing your platinum prints! Did you finish the New York  
request?

Thanks again for your generous contribution.

Sincerely,

Carla L. Smith
