Dear Ms. Gilpin,

I would like to order (1) one image of "Navajo Covered Wagon" in the 11" x 14" size.

I am purchasing it for the photographer Karen Truax who would like to give it to her parents for a Christmas gift. If it would be convenient for me to pick it up from you gallery when I in Santa Fe, November 10-11 I would be most appreciative. This way I will be certain that she has it in time to send it for Christmas.

I have enclosed a check for \$300.00 for the image.

I do have another client who wishes me to purchase several prints from you when I am in Santa Fe. He has given me \$2000.00 solely for that purpose. I will bring his payment with me and select the prints from those you have available. If you feel that I should send you his list of images in advance, I would be happy to do so in advance so that you could have them ready for me to purchase. Please do let me know.

Looking forward to hearing from you and visiting you early next month.

Sincerely yours,

Susan Spiritus
