Ms. Sina Brush Morales  
c/o Laura Gilpin Studio  
409 Camino del Monte Sol  
Santa Fe, New Mexico 87501

Dear Sina Brush Morales,

I was terribly saddened to learn that Ms. Gilpin has passed away, but I was fortunate to have been able to visit with her if only for a very brief visit last month.

We did receive in the mail the book, and 5 prints. Everything has arrived in excellent condition. Many thanks. I do think there still are some prints which you did not ship. I do understand that this is a very busy and difficult time for all of you at the studio, so I will understand any delays which might be necessary due to all the work which you will have on hand. If you could give me an approximate time to expect delivery of the 2 other images it would be helpful as I will be able to write to my client and tell him.

I have had many requests about the availability of prints by Ms. Gilpin. Please do let me know if I will still be able to purchase them from you. Also, about the availability of her book, "The Enduring Navajo". If you do have a copy please send it to me for the lady who recently purchased the "Covered Wagon" print.

Looking forward to hearing from you soon.

Sincerely yours,

  
Susan Spiritus
