ATTENTION: Ms. Sina Brush

Dear Sina:

Haven't heard from you in quite some time. The last letter I wrote to you was to inquire whether it would be possible for us to get a copy of the Georgia O'Keefe photographs that my son had purchased for his sisters as a gift. I never got an answer to this and somehow neglected to follow up because of a multitude of problems at this end. We did not get to Santa Fe this past summer because our son has been travelling around the world for the year and we took the opportunity to meet him in East Africa!

I do hope Ms. Gilpin is feeling well and will soon be coming out with her book. We haven't seen any notices about this and wonder whats been happening. We did have the joy of going to the Photography Show for ten women in New York and seeing Laura's work there plus last week I was at the Whitney Museum and feasted my eyes on several of her early photos at this exhibit.

I would very much like to get one or two of the Navaho Indian photographs of some of the elderly women. I don't remember their names but if you have any reproductions that you can send me to choose from and indicate the prices, perhaps we can work it out that way as I won't be getting to Santa Fe for some time. Very best wishes to you and warm regards to Laura.

Cordially yours,

Janice S. Throne
