Dear Laura:

Mitch suggested that you might have a platinum print of the Bryce Canyon picture, the one that we made the poster out of. I would be interested in purchasing one for my own collection, should you have one. If you do have one, can you please tell me the price?

Perhaps you have heard by now that Mitch is in the hospital with acute leukemia. It was quite a shock to us, but the doctor has encouraged us, saying that he thinks Mitch has an 80% chance of remission. We are all hoping.

I am looking forward to hearing from you.

Sincerely yours,

Ron Tyler
