Dear Laura:

Just a note to say how much Paula and I enjoyed visiting with you in Santa Fe. After our visit we took a few days vacation and drove around through Taos and so forth and had a delightful time. It was very restful.

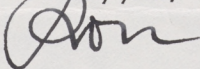

We are delighted with our photographs and thank you so much for assisting us in selecting them.

I'm sure Mami will be getting in touch with you regarding her next visit to Santa Fe.

Again it was delightful. If you have any comments or questions, please do not hesitate to get in touch.

Best wishes.

Sincerely yours,

Ron Tyler
