Dear Mary Sue:

I hope the filming went well. Marnie and Bill told me to get ready my EMMY acceptance speech for my magnificent performance with Laura. I trust Laura is in good health and spirits. I have still not received the 3 photos which I selected and paid for September 13th.; If you would, please list the platinum prints which I selected; this way it will make it easier for me to be able to keep up with how much I owe.

Best wishes.
