409 Camino del Monte Sol
Santa Fe, New Mexico 87501

Dear Laura:

The prints from the Black Box herewith. Collotype prints are marked "COL" at the lower left; duotone litho are marked "CDT." There is a difference, of course. I suggest you set them up for leisurely perusal. There is one strange looking print that you may be able to identify! Will give you a call next week after you have had a chance to consider the results.

Yours,

Mitchell A. Wilder
Director
