Dear Laura -

As always, it was a great pleasure to be with you. I thank you for your thoughtfulness & your loyalty to me.

Here is an "autographed" copy of your Yucatan book so you have more than 1 in your collection. Three anniversary postcards are on their way to you under separate cover. Please give one to Sena & one to Rosamund with my best.

I hope Sena can list & send the additional platinum & silver prints soon. If it is agreeable with you I shall pay for these as the year progresses. My big purchase has wiped me out for a bit. The \$4,750. balance due you will be sent in a few weeks.

Spring is lovely in NYC today —
almost as lovely as Santa Fe.
Please remind Eleanor that we
are scheduling a LAURA GILPIN
show for next May/June (1980)
+ would like to tie it in with
the Canyon de Chelly book.

I send you much love +
hope your new doctor can
be of great help to you —
