Dear Laura,

We were all delighted to hear about Lee's visit with you and to learn you are feeling well and are as busy as ever.

Evelyne and I are also interested to see all the fine platinum prints Lee was telling us about. I was lucky enough to have a few of them right across from my desk during the tenth anniversary show.

A very special customer of ours has asked us to try and get a print of "Frances Naikai and Family" in front of the American Flag, in an 11 x 14 print.

Do you have one that you can send us? If you only had an 8 x 10 I think that might be alright with them.

Please let us ~~know~~ hear from you. WE will send you a check upon receipt of the print.

Hope you are enjoying continued good health.

Warmest regards,

Courtia Worth
