

Dear Laura

You cant imagine the surprise & pleasure I had when I received your card. Its been a long time since the Clarence White days.

Lee Witkin called me when I was in NY and told me of the great interest in old photographers & their work, and since then I have sent him 30 or 40 prints.

My wife of 36 years died about 6 months ago & to keep my mind occupied Im starting to do a little photography again.

It must be good to have someone to talk to about your work. Here they talk only about golf.

Very glad you remembered me
Anton
