

February 28th

BRITISH EMBASSY,
WASHINGTON.

Dear Miss Gilpin,

I just wanted to
write you a line to thank
you so very much for enter-
taining my husband & self
with your fascinating photo-
graphic slides of the Indians
& the country they inhabit.

I thought they were perfectly
beautiful, & Harold did so
too, we greatly admired your

work, & if I may say so, your
courage & perseverance in
travelling to such distant
& inaccessible spots to get
exactly what you want.
The results seem most
rewarding, & I should think the
work must be a continuous
pleasure.

Thank you again for a
very enjoyable & instructive
evening. We thoroughly enjoyed
every minute of our stay in
Santa Fe.

Yours very sincerely
Nancy Laccia
