Dear Miss Gilpin -

Thank you for your note. I was very sorry indeed to hear of the delay, since I had wanted them (the 2 prints) for a special wedding gift for my sister July 5. I assumed that I would not have to wait very long after paying so much! But I understand how busy you must be after reading about you and seeing you on TV this spring in Santa Fe.

I hope it isn't too late to ask that you give the prints as thick a backing as possible. They will be travelling a long way, and, like the Navajo themselves, they must be tough!

Also - don't forget to sign them please.

I am a great admirer of your works and your life - I spent some time getting to know Zoni this spring doing Anthropology field work, but I am at the very beginning!

I can certainly sense some of the skill, patience and understanding that is behind your work -

I look forward to seeing the prints soon -

Sincerely,

Nancy Danforth
