Miss Gilpin:

Thanks for the print of Dorothy Brett.
Enclosed are some tearsheets of the Georgia O'Keeffe
story and also yours. Hope you like it. The Chimayo
story hasn't run yet as I guess they are waiting for
cooler weather to advertise travel in the Southwest.
Keep me posted, if you can, of your activities, especially
when the new book comes out.

My best,

A handwritten signature in green ink that reads "Mary Daniels". The signature is written in a cursive, flowing style.
