

Dear Laura,

Rosemary may seem far away and long ago, but won't you send me some news of you and what you are doing for the Newsletter? It means more than you can imagine to hear of old Rosemarians and the Newsletter must promptly go to press.

Class Secretary is a thankless job, except for being in touch with all of you and any small word will be greatly appreciated.

With best wishes, hopefully,

Helene Sather Hartford

How Mexico sounds
wonderful - My husband and
I have hoped for many
years to spend some of the
cragged winter months
there - but he has not been
well enough for such a
long trip -
H.
