

Santa Fe - November 18th

My dear Miss Gilpin -

You must be used to "fan" letters and I feel compelled to express my appreciation for your new book.

Thank you, along with your autograph, for inscribing in it the names of my daughter and her husband. They have just returned from the Grand Canyon and Navaho Land. It will be my great pleasure to lend them your book for Christmas.

My best wishes to you and the wonderful "Betty".

Very Sincerely,

(Mrs John P. Hayes) Hildegard B. Hayes
