

MISS MARION HENDRIE
BOX 223
HILL TOP LANE
WYOMING, OHIO

My dear Nell:-

It was dear of you to
send the paper with the
installation of Bishop Minnis.
We sound delightful. We have
just had a flying visit from
Sallie Spalding, so we are a
bit caught up with Denver
news. Elisabeth's death was
such a blessing. Sarah, I
thought looked tired but
well. I expect you are busy,
I am working on the Every
man canvas - 1,800 cards

have been printed and
only about one hundred
workers. Mrs S.S. Brown whose
husband was at Colo. College -
is here at the University,
they were in the Springs
this summer and found
the amount of building
quite depressing, and I hear
that Denver is just as bad.
You can't complain, for every
where is losing all of ^{the} beauty
spots, and full of the Texas
Ranch Houses. We have had a
busy fall - Cincinnati has
been unusually beautiful -

Have you any clergyman
now- who takes Dr. ^{MISS MARION HENDRIE}
^{BOX 223} Roberts place? Christ Church
^{HILL TOP LANE}
^{WYOMING, OHIO} here is building a new Church.
The old one has been condemned
much to everyone's sorrow- for it
has always been dignified and
typical of the period where it
was erected. Where is Laura
Gilpin and is she still busy
with her camera? I know
that you are as busy as ever,
I loved getting in touch with
you again. affectionately

Marion Hendrie
