Dear Laura -

It was good to get first hand news of you via Lulu Busby when she came on to Denver! - She sees you often at "functions" and wishes she knew you better -

Am sorry to hear you have a touch of arthritis - don't we all as we get along! I'll soon be 73 yrs & I sure feel it but I keep on the go!

These 10 days in Denver have been soul-satisfying to me - Eunice is a swell hostess & the two Brent sisters are still here but frail! They lived next door to us on Downing St when I was 4 yrs old!!! Weather has been divine up to 80° every day -

I return to S.F. to-day for many dates
& "obligations" in the retirement home where
I have lived for 4 1/2 yrs - a very happy &
contented life !!

Mary lives in Ann Arbor, Mich - where I
will be for Thanksgiving - her Margaret (age 20)
is a Jr at Smith College - Kathy (age 18) is
a Senior in High & headed for Bryn Mawr ~~or~~
Swarthmore, hopefully! She is an excellent
student & a firm Quaker !!

David lives in Florida where I will be for
Xmas - his six Boys are a lively crew
from 3 1/2 yrs to 15 - fun to be with at
Xmas !!

Now a report, please, on Betsy - the
dog & your boots -

As ever your cousin

Josephine

I stayed here
just one nite -
Eunice's 2 room Apt
was a bit thick
with 3 of us! -

Going now to Bauer's
for a brunch that
Eunice is having
for 10 friends of
hers & mine -

Wish you were here
