Dear Miss Gilpin.

Thank you so very much for
sending me the beautiful colored
photograph of my mother, taken by
you in 1914! It is hard to believe
that 62 years have gone by since
then, and yet the photograph is
still beautiful - Of course, the baby
is George, and a handsome fellow
he was (and is!) It was so kind
of you to have thought of me, and

I shall treasure it always!
To you know, I still have the black
& white pictures you took of me in
a black velvet dress, when I was a
little girl in Goodwood. — Now I have
a granddaughter of that age!
I am so glad that George & Fiona have
settled so happily in Santa Fe, and I hope
George's health will improve in your marvellous
climate. — Maybe, someday we shall pay
a visit to your lovely city, and shall
have the pleasure of seeing you once again.
Thank you again for thinking of me.
and every good wish to you —
Affectionately,
Mary —
