Dear Laura -

Thought This item
from The Times would
interest you.

I know how pressed
you are for time but
would love to hear if
you were able to go
to Yosemite - and
did you meet Inogen?

I hope things are
progressing with the
Navajo Book -

Have you had any
correspondence with

Greenberg publishers?

They are doing more
picture books - some
priced at 7.50.

All best wishes -

Willa Fernval

Do you know whether
or not Marion & her
family have left
Albuquerque?
