

THE FLOATING FOUNDATION
OF PHOTOGRAPHY

Dear Mr. Gilpin,

Just wanted to drop a note
to tell you we are finally planning on
bringing our boat back to NY by
June 1st. It has taken a long time to
find a barge, place the little boat
aboard and do some construction work.

I am enclosing a copy of our
Recent book - I do hope you enjoy it.

Thank you for helping to make
our gallery a reality again.

Sincerely,
Maggie Newson
