Dear Laura:

How nice of you to write
us and enclose Auntie's letter
to you. She is remarkable, indeed,
& will be 102 years old on
Sept. 17th. Her eyesight is
practically gone, otherwise she is
fine. When your new book
comes out, I would like you to
send her an autographed copy,
and one to us, both chaped
to us please.

My granddaughter, Kate
Bennett, will be going to the

University in Albuquerque as
a Junior. I would love to have
her call on you and have you
take her photograph. She is
really lovely.

I do hope all goes well there,
and that we can see you
one of these days soon.

Wolcott joins me in much
love always,

Wanka
