

Dear Laura:—

I think of you of kn & also
feeling a great sense of pride
when I see your exquisitely
illustrated books in the shops -
Abundant joy to you, as I was
in the new half century purchased.
Do you ever get to N. Y. C. if so -
Why not let me know ahead
so that we could renew Central
City acquaintance - Fondly
Helena Boytel

A HAPPY CHRISTMAS
AND A
JOYOUS NEW YEAR
