Austin, Texas.

Dear Frank:-

Friday, I had a nice visit with both Mr. & Mrs. Owings and the first thing they asked was "Why hadn't they heard from you". I am sure you have waiting to receive the color transparencies before writing them etc. I hope you can get at this soon, for we cannot let their enthusiasm down.

I trust that all my material reached you both promptly and safely. Under separate cover I am sending you a duplicate (almost) transparency of the Navaho woman spinning. I found this one while looking for something else. I believe that the face is a little better in this one.

When all of these go to the printer please caution them that these (most of them) are from my slide lecture and must be replaced & that I count on them for extra careful handling.

I do hope that Mrs. Wardlaw is better and that all goes well with you,

With best wishes,

Sincerely
