Mr. Frank Crabtree,  
Museum of Albuquerque, New Mexico

Dear Frank:-

Thank you for your letter. A rush color job of copying some paintings came in and it took me three days instead of a day and half to do the job.

I have been through my Rio Grande prints and I regret to say that there are only a few that I am sufficiently satisfied with to show. There are quite a few that will have to be enlarged to at least 11x14 and several to 16x20 which I have never done to that size. In figuring up the available time, I just don't see how I can possibly do this and have it all ready for you in time. As I am already committed to these other two shows and as I have done little on them as yet, I just must get down to brass tacks on these.

So with regret I must say "no" to you at this time. If you want this show say next spring or summer, I shall be very glad to prepare it for you. I do hope you can give me a rain check on this, for I would very much like to have this show at your Museum.

With best wishes, and many regrets
