Mrs. Barbara Spielman,
University of Texas Press,
Austin, Texas.

Dear Mrs. Spielman:-

I have just remembered that I made a special acknowledgment to the School of American Research for the red blanket, and now that we are not using it all, this must be deleted. Instead will you please change to the following:

"To the Indian Arts Fund and the School of American Research for permission to photograph many objects in their joint collections."

Then delete entirely the later acknowledgement to the School of American Research. These collections have recently been merged though the two titles still remain with the objects.

This covers it and I do hope I don't remember anything else! I trust that the latest three transparencies reached you to-day and that you will be able to select one of them.

With best wishes,

Most sincerely yours,
