Dear Mrs. Spielman:-

I am going to be two or three days late with the index, I regret to say. Somehow a lot of the slips got to the typist before I had gone over them, and I am finding a good many that need correction or deletion. I hope to finish checking to-day or tomorrow and then there will be either flyers or some retying to do. Sorry, but I cant help it. Now that I know how to do this job, I regret not doing it all myself. Help was welcome but it means a complete job of checking.

Hastily
