Mrs. Jeaneen Morris,
University of Texas press.
Austin, Texas.

Dear Mrs. Morris:-

I was so sorry to hear of your Aunt's death. That was terrible. When you write to your Uncle do give him our sincere sympathy.

Last week Mr. Wardlaw called about several things; one being a request for some publicity pictures to send to news papers etc. I should have gotten these off several days ago, but have been very swamped finishing up the Fort Worth show.

I enclose thirteen glossy prints as follows:-

1. Jacket picture with lettering
2. Two Navaho Women
3. Old Lady Long Salt
4. Young Navaho Mother
5. Navaho Portrait. (Mrs. H.B.)
6. Matriarch
7. Georgie Garcia
8. Going Home from the Trading Post
9. Spinner with display of Native Dyes
10. Navaho Rodeo
11. Navaho Silversmith Making a cast medallion
12. The Little Shepherd
13. A Navaho Summer Shelter.

I asked Mr. Wardlaw not to send out any of the original prints which are back from Meriden. Those are much too good for that purpose. Will you please return them to me. I shall be needing some of them for the catalogue for the Washington D.C. Show. Am writing to Mrs. Wardlaw about this.

I am sorry that I did not get these prints in the mail several days ago, but trust that they are in sufficient time. Let me know if you need anything more.

My best wishes, most hastily
