Mrs. Hodge,
KLRN-TV
P.O.Box 7158
Austin, Texas.

Dear Mrs. Hodge:-

Please excuse my delay in answering your letter. It was delayed in reaching me, as I gave up my P.O.Box some two or more years ago when I had to add crutches to my mobility. Dear Helen Hobart didnt know that. I am sure that you have hear from Frank Wardlaw. I waited to write him definite times etc. as I wanted to see this broadcast last night on KNME-TV from Albuquerque. I suppose it was all right but my too corpulent self caused dismay in my sould. Others seem to think it was O.K but I know a number of things I can do to improve it at least. The pictures came over ver well indeed. I had taken down about ten of my big exhibition prints. Do you want me to do likewise? I can bring a different set. They help to put the emphasis where it belongs, the Navaho.

I have just written to Frank that I will arrive in Austin at 6.25P.M. Monday Dec. 9th, and will be ready for you anytime on Tuesday. Helen has told me a lot about you, and I am looking forward to meeting you.

Please excuse a hasty note, but I must get this off to you at once.
