Mr. Steve Rice,
University of Texas Press,
Austin, Texas.

Dear Steve:-

Now I am confused! I dont have those five books as I autographed them and sent them on as directed by Mrs. Rawls! If Mrs. Rawls did not send you her check for them, then she should be billed at once. I am writing her about it. None of the stores here enter into this deal at all. When I got home and found the five books perhaps I jumped to this conclusion for Mrs. R. had written that she was having them sent to me to be autographed. I sent the invoice right along with the books to her in Colorado Springs. Let me know when it is all squared away.

Greetings,

Very hastily
