Mr. Steve Rice,
University of Texas Press,
Austin, Texas.

Dear Steve:-

The books have not yet arrived and in the mean time I have had letters from two friends who live in the East who want books and ~~their~~ book stores didnt have them. Now I find that Mrs. Webb is out again.

So please send me five copies instead of three. I enclose my check for \$52.50. I hope that these can be shipped right away.

With best wishes,

Sincerely yours,
