Dear Laura:

The six platinum prints you left with me are:

Square Tower House
Cliff Dwelling of Beta-Ta-Kin
Ranchos de Taos Church
A Landscape with Steep Rocks
The Visiting Nurse
Still Life with Flowers

I would be pleased to exchange the Ranchos for a richer print as per your suggestion. I will call you on the 23rd of May and if you are in town, we can make the exchange then and I would like to get settled on the Kasebier's at that time.

Best regards,
