Santa Fe, New Mexico

Dear Miss Gilpin:

The Santa Fe Junior Woman's Club is planning a public reception on Sunday, April 13, 1969, to honor the authors in the Albuquerque, Santa Fe and Taos areas. We believe the public would appreciate an opportunity to meet writers from these communities. We wish to include you among those being honored.

During the reception, one of the local bookstores will set up a display containing as many books from each author as is available at that time.

We would appreciate your returning the enclosed card by March 10th so that we may finalize our plans for the reception. Additional information will be sent to you as our plans progress.

We look forward to hearing from you.

Yours very truly,

Mrs. Jerry Wertheim
