Dear Miss Gilpin:

I was terribly sorry that I was unable to be in Fort Worth when you were there; I am sure Mitchell Wilder explained the circumstances to you.

Mitch told me that you did not bring your material with you. Now that it is complete we will be glad to see it at any time you care to ship it to us. We will try to reach a final decision as quickly as possible. I shall be exceedingly disappointed if we do not have the pleasure of working with you on its publication.

With all good wishes, I am

Very cordially yours,
