Dear Miss Gilpin:

Thank you for your letter of February 28 with the latest pictures for The Enduring Navaho.

We agree that the air shot of Monument Valley is the best choice and will use it rather than the blanket. We have several pictures of the Valley, one also in color, but none are duplicates of this air shot. We will also use the new color plate of the group at the covered wagon, as you requested. I have added the statement about Mrs. Thompson to the Acknowledgments and the data on the O'Bryan book to the Bibliography.

Please do keep the booklet on indexing until you have finished making your index.

I am returning now the color transparencies that we won't be using: two of the red blanket, one of trader Kennedy examining wool, one of Monument Valley, and the original of the group at the covered wagon.

Thank you again for all your help, and best wishes.

Sincerely,

Barbara Spielman
