Dear Miss Gilpin:

Just a quick note to answer your letter of May 2.

We can check on the page proofs to be sure that Dr. Kluckhohn is listed as Dr., and not Mr. This will be very easy to correct, if necessary.

I'm afraid that it is too late to think about changing any of the captions. The copy for the captions was sent to you with the edited typescript. Since you made suggestions for revision in several of the captions, we assumed that all the others met with your approval. You made some changes in the captions on the galley proofs, again indicating to us that the unchanged captions were satisfactory.

I will send the page proofs to you as soon as they arrive so that you can begin indexing. Again, I'm sorry that I can't give you a definite date.

Best wishes to you and good luck with your show in Albuquerque.

Sincerely,

Barbara Spielman
