Dear Miss Gilpin:

Thank you for your letter of October 3, 1968.

Our production manager informs me that they have seen the proofs on the circulars for your book and that they should be available about the same time or a little before the book is published. The publication date is still unknown, but is expected to be here the first two weeks in November. I will send you about 100 of the circulars as soon as they arrive.

As for your questions about free books--you are to receive 10 free copies. We allow all authors 40% off on any books they wish to purchase and will, of course, charge these to your account.

I am enclosing 10 Fall and Winter catalogues as you requested. If you need more please let us know.

A bit of sad news--my Uncle Carlos Stolworthy's wife was killed in a car accident about two weeks ago. They had been vacationing in New Mexico and were on their way home when the tragedy happened.

Please let me know if you have any further questions regarding your book.

Sincerely,

(Mrs.) Jeaneen Morris
