Dear Miss Gilpin:

I did try and contact you when I was there but got no answer so I assumed you were either out of town or gone.

The books you requested were sent on February 24, 1969. I am sorry you had misfortune on those books and their not reaching Gallup.

I hope the summer season is profitable for all, too. Sorry, also about us not being able to make connection in Santa Fe when I was there, but never fear that I'll come to Santa Fe and at least not try to get in touch with you. Until next time, take care.

Sincerely yours,

Steve T. Rice
