Dear Miss Gilpin and Miss Forester:

Hi, how are you all? We made it back to Austin on Easter Sunday at 3 p.m. We are absolutely in love with New Mexico. I hope we can move out there soon.

The Triplett's were so very pleased to meet you. They thanked me all the way home for the opportunity. Erbin Triplett talked about you the rest of the week. He was so inspired. They would like very much to see you both again.

Miss Gilpin, would you please write down the people or institutions you are interested in finding out if they got your book. I will then look them up in our records and let you know. Anything else I can help with just let me know. Congratulations on the Hall of Fame.
