Dear Miss Kemp:

Benziger, Inc., is in the process of revising our eighth grade history book, entitled, "The Land of the Free," and we would like to reproduce the picture "The Summer Hogan of Old Lady Long Salt", which appeared in a book entitled "This Enduring Navajo", by Lora Gilpin, published by the University of Texas Press. We would like to obtain reproduction rights and a B/W print of this picture so we can reproduce it in our history book. Of course, Benziger will pay the requested permissions fee and credit you in any way that you may designate.

I would appreciate your giving this request whatever attention you can afford, as my publishing date is rapidly approaching; and I would like to thank you in advance for whatever assistance you may give in expediting this request.

Sincerely,

Bert Johnson
Design Director
