Dear Miss Gilpin:

With regard to Miss Blanc's letter, since her request is for use only at Medford High School and the use of the pictures can be restricted strictly to that, we see no harm in her being permitted to use them. Of course their source in your work and our book would be fully credited. I would think it simplest for you to let them make their own slides, rather than take on the job yourself. But if you would rather do them yourself and make that a condition of your permission, then of course Miss Blanc's Lincoln Filene Center would have to pay whatever fee you think right for making the slides.

We are, of course, happy to receive orders--particularly repeat orders--from anybody, and extra happy to have leads to new markets. Steve Rice, our salesman, will follow up on Goulding Lodge and Thunderbird Lodge.

Sincerely yours,

David H. Gilbert
