Dear Laura:

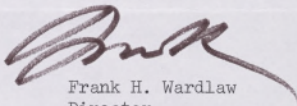

This will confirm the message I gave Peggy Harrison on the telephone today, asking her to pass it on to you. I am sure she did.

Rosemary and I will arrive in Santa Fe the afternoon of Sunday August 16. We want you and Peggy to be our guests for dinner that evening. You and I can talk at length the following morning.

Peggy is making a hotel reservation for us.

It will be good to see you.

Very cordially yours,

Frank H. Wardlaw
