Dear Mr. Wardlaw:

We will be happy to set up, at your convenience, a meeting with Miss Gilpin and our key production personnel to discuss the rerunning of "The Enduring Navajo" color plates.

It is very important that Miss Gilpin bring the original transparency of any illustration that may require color corrections to this meeting. Our people can then assess the originals and determine to what extent corrections can be made.

Should any questions arise, please feel free to call at any time.

Sincerely,

A handwritten signature in dark ink, appearing to read 'Otto H. Ludwig, III'. The signature is fluid and cursive, with the last name 'Ludwig' being particularly prominent.
