Dear Ms. Gilpin:

Just a quick note to let you know I wrote to Ms. Phyllis Morrison granting her permission to use the photo on page 134 of THE ENDURING NAVAHO in her book SPIDER'S GAMES.

I have not heard anything from "The Family of Man" but when I do, I will certainly give them every consideration. I agree with you that such use would be good exposure for the book.

I am sorry to hear that you continue to be discontented with the new dust jacket for THE ENDURING NAVAHO. However, reprinting the book as well as dust jacket changes are not decisions within my province so I am afraid I can be of little assistance to you.

Thanks for keeping me informed of permission requests.

Best wishes,

*Candace E. Adams*
