Dear Ms. Gilpin:

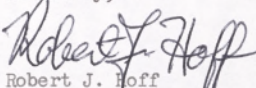

Thank you for your kind and prompt reply to my request. As I stated previously your aerial photograph is an excellent aid with which we help visitors to visualize the second and third Fort Unions; I appreciate your assistance in allowing us to retain this valuable tool.

Yes, please frame the picture. Our present copy of the picture measures 16 1/4" x 15 1/2". This size seems to serve our purposes well. And, of course, we will happily pay whatever charges are necessary.

I will be in Santa Fe on July 1st on business. I would be interested in seeing the other pictures which you took on that day. Perhaps I could also pick up the photograph so that we can avoid sending it through the mail. My business will occupy me on the afternoon of the 1st. Perhaps I could visit around 11:00 a.m.? Please let me know if this would be convenient.

Once again, thank you.

Sincerely,

Robert J. Hoff
Acting Superintendent
