Dear Laura:

I absolutely understand the complications and problems for a Rio Grande exhibition this year. As our schedule is working out, this is probably for the best for us also. The one thing I want to make sure is that when we do it, we do it right.

As our schedule looks at the moment, an exhibition for next summer would be very good for us. If you are in agreement, let's work toward June of 1968 and possibly even run through August. This, I think, would be a great addition to our summer schedule during the tourist season, and conceivably would be good exposure for you.

I realize we still have financial considerations to discuss. I expect to be in Santa Fe in the next few days, and perhaps you will have an opportunity to give the matter some thought between now and then.

With warmest regards,

G. F. Crabtree
