Dear Laura:

Enclosed is a check from the City of Albuquerque in the amount of \$35.00. This is to purchase the 11 x 14 print of Boquillas Canyon for our collection.

You should also receive, in the near future, a check from the Albuquerque Museum Association in the amount of \$345.00. This is to purchase nine photographs as follows.

Infant River
Flash of Sunlight
Sangre de Cristos in the San Luis Valley
West of Taos - Summer Showers
Storm from La Bajada
Sandia Crest
New Mexico Desert
Edwards Escarpment
Delta

They will then present the photographs to the Museum.

If at all possible, Laura, I would like to have for the collection a different print of the Delta photograph. I just cannot bring myself to accept the goldtone print that is hanging in the show. There is no rush on this, and if you feel strongly that the goldtone is the best print, I will accept your judgment.

I am delighted we are able to acquire these photographs,
as they will be a major enhancement to our modest but
growing collection.

With warmest regards,
