Mr. Frank Crabtree,
Museum of ~~México~~ ^{Sanique},
New Mexico

Dear Frank:-

It was very good to receive your letter with the enclosed check and to learn that the Museum Association is purchasing ~~the~~ ^{nine} prints for your permanent collection.

You may rest assured that in the very near future I will try again for a new print of the Delta. I have at last made a good print of the Sandia Crest and the Pumping Station, not yet mounted ~~will~~ ^{will} be in a day or so. I have tried twice to come down, but something happened both times. Perhaps next week I will make it and bring these prints down.

I am anxious to hear how the attendance has been and how the show is liked. And also I want to see what kind of print Dick Kent came up with for the big enlargement. Will have other news to tell you when I see you.

My best to one and all and the hope that the summer is going well for you.

Most sincerely
