Dear Miss Gilpin:

The Albuquerque branch, AAUW, is doing an exhibit for the Museum of Albuquerque on the contributions which women have made to life in New Mexico.

We would like your permission to display a general account of your work in the show, which opens in January 1976. I am most willing to answer any questions which occur to you in regard to our request.

We are quite anxious to continue the documentation work on our show principals, so may we have a reply at your earliest convenience?

Yours very truly,

Nancy C. Benson
